G20 Public Holiday and IB French Summative exams

Dear Parents,

As you would be aware, your son/daughter is sitting their IB French Summative exams on the morning of Friday 14th November. This date has been declared a public holiday for the Brisbane Local Government area to cater for the organisation of the G20 proceedings. For further information, please refer to the G20 website www.police.qld.gov.au/g20 for a full list and detailed map of restricted areas.

There will be many changes to public transport routes and timetables as well as restrictions to roads and venues to allow for the safe and secure commute of the motorcades of delegates. There could be delays of up to 2-3 hours and in some cases without any pre-warning. Changes to public transport routes and timetables can be accessed on the Translink website in the lead up to the event.

These changes will impact on all students who will have to allow extra time when travelling around and through Brisbane. We have confirmed with Queensland Academy Campuses at Health Sciences (Gold Coast) and Science, Mathematics and Technology (Toowong) that QACI students can elect to complete their IB French exams at their campus if more convenient. Students will need to organise transport to arrives at QACI or Health Sciences Campus by 8:00am for a 9.00am start, however SMT has scheduled their exams to begin at 8.00am (arrive at 7.30am). These times will be confirmed with FINAL exam schedule.

To ensure students have planned ahead and can focus on their IB exam this day, please indicate your student’s plan for their preferred campus and transport arrangements. This information is essential to liaise with the IB for exam arrangements and will help you and the Academy to ensure the smoothest possible running of the exams on this day.

Please return completed form to Client Services by Wednesday 15 October. If you have any concerns please contact Mrs Casey (Deputy Principal).

Regards,
