Dear Student,

A very special opportunity exists in 2015 at QACI for two (2) students to have a say and real influence of the strategic direction of our Academy.

Our Academy has a School Council which comprises:

Principal
P&C President
2 Staff members
2 Parents
2 Invited members
2 Students

The role of the Council is outlined in summary in the attached powerpoint. The role of an elected member to the Council is attached. If interested you should read these two documents.

A student, depending on their year level and how long they have left at QACI, can be on Council for up to three (3) years.

There is a code of conduct for members of the School Council and this is attached.

The Council will meet at least twice a semester and there will be considerable reading and consideration of information prior to a meeting.

If you believe that you would be a student who could effectively contribute to the strategic responsibilities of the School Council and maintain the responsibilities associated with the role you then you are invited to nominate by the attached form.

The two student representatives will be elected by a ballot called for this process.

Important dates:

February 9 Nominations open
February 27 Nominations close 3.30pm
March 9 Student election 11.30am to 12.30pm.

If you require more information please talk to me. I have attached the constitution for you to read.

Yours faithfully,

Glen Donald
Acting Principal
