Mandarn B HL	French ab itinio SL	Visual Arts HL	ESS SL	Mandarin ab initio SL	
Chemistry HL	Spanish B SL	French B HL			
	Mandarin ab initio				

Students need to select three SL subjects and three HL subjects. Whilst we do our best to accommodate student and family decisions, subjects offered are dependent upon student numbers, teacher availability, resourcing and International Baccalaureate requirements. In the event a subject cannot run, students will be required to select another subject.
