

Year 10 Subject Selections

2026 Line Structure

QUEENSLAND
ACADEMIES
Creative Industries Campus

Please select a subject from each line, meeting the following conditions:

All Students must study English, Maths, Science (considerations below) and at least one Language Acquisition Subject.

Students can study two subjects from either Sciences, or Language Acquisition or Individuals and Societies instead of an Arts subject.

If selecting two Sciences please select Science in one line and Design Technology in another line.

or

Students can study two subjects from The Arts. Students cannot study an Individuals and Societies subject (Business, Psychology, or Global Politics) if two arts subjects are selected. They must select Science on line 2. From Year 10 semester 2, Environmental Systems and Societies (ESS) is studied as a trans-disciplinary Science.

Line 1	Line 2	Line 3	Line 4	Line 5	Line 6
