Our school initiatives are on track to meet or exceed our targets

- Regularly monitor and respond to student performance data
- Provide small group LIFT tutorial support to cover gaps in content knowledge, improve subject specific skills and focus on exam preparation and strategies
- Provide small group STRETCH tutorial support for student either side of the 5/6 grade boundary to increase the % of students achieving 6 and above, by focusing on applying higher order analytical skills to solve complex
- Increase the cohort GPA for Groups 1, 4 and 5
- Provide one-on-one tutoring to identified Year 11 and Year 12 Higher and Standard Level students to support their learning.
