Queensland Academies Creative Industries Campus
received**

\$86,380

Our full 2016 agreement can be found at: <http://qaci.eq.edu.au/wp-content/uploads/Queensland-Academies-Creative-Industries-Campus-I4S-2016.pdf>

Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Provided professional development and coaching to ensure teachers were able to deconstruct International Baccalaureate curriculum (Mathematics and English focus) to provide targeted and scaffolded instruction to implement highly effective teaching of essential concepts and skills in every classroom.
- Developed collaborative data inquiry processes (strategic monitoring of student performance data and trends after each assessment piece to identify effective teaching practices and next step in learning for each student).
- Embedded the culture, climate, processes and protocols of classroom observation and feedback to support professional development and encourage reflective practice/action learning.
