NOTES:

- Students studying the IB Diploma must study six subjects - a minimum of three at higher level (maximum of four). The six subjects do not include TOK, CAS and EE and must be chosen from the six groupings outlined above.
- Students are able to study two subjects from Sciences instead of an Arts subject.
- Students study the subject *Science* in Year 10 to prepare them for any of the Sciences in the Diploma Programme.
- Students study the subject *Maths* in Year 10 to prepare them for any of the Mathematics subjects.

1. Students are able to study two subjects from The Arts instead of a Science subject. Students must select Environmental Systems and Societies (ESS) in Individuals and Societies as their transdisciplinary Science subject.
2. Students studying SL Music have the choice to study SL Solo Performance or SL Music Composition.
3. Students who wish to study Korean need a proficiency level to interact with a degree of fluency on a wide range of subjects. Korean cannot be studied at Ab initio level.
